Reemployment guidelines have been established by Ohio law in House Bill No. 95. Under this bill, when a board of education wants to consider reemploying a retiree in the same position held prior to retirement, a prescribed process must be followed. First, a public notice announcing a public meeting considering the reemployment must be placed at least sixty days prior to the reemployment action (expected to be on September 14, 2010). The Treasurer has certified that such notice was placed in the July 15, 2010 edition of the Sun Press. Second, such public meeting must take place between 15 and 30 days before the reemployment action.

As announced in that notice, the meeting this evening satisfies the second requirement for any member of the public to provide input on the reemployment of Larry Gold and Caulton Staunton.

At this time, the public is invited to provide input on the issue of these reemployments. There were no comments from the public concerning this issue.

At this time the Board briefly discussed a recent media article regarding educational grading scales (no "D's").

There being no further comments or questions from the public, at 5:07 p.m., Mrs. Mearns moved, seconded by Ms. Levenson that the Board of Education recess to executive session to discuss personnel matters pertaining to the continuation of the of the Superintendent's evaluation.
