ADDITIONAL SUGGESTIONS:

Your child will be at camp for 3 days/2 nights. Please do not send more clothing than he or she will need. Try to limit all clothing and accessories to one medium sized suitcase.

All clothing is to be clearly marked and **labeled** so that your child can recognize his/her items.

Old clothing is preferable. There is no dress-up time at camp. This camping experience does not require the purchase of any new clothing.

Students will spend time getting dirty and experiencing nature from the ground up. Rain is a very real possibility so students should have some sort of rain protection since most activities occur outside.

PLEASE DO NOT SEND KNIVES, HATCHETS, MONEY, CELL PHONES, ELECTRONIC DEVICES, CANDY, GUM, FOOD ITEMS, SKATE BOARDS, FISHING EQUIPMENT, OR SPORTS EQUIPMENT.
