## *Alma Mater*

Let our voices loudly ringing  
Echo far and near,  
Songs of praise your students singing  
To your memory dear.

Alma Mater, Alma Mater  
Ours forever strong,  
Fortified by our traditions  
To Shaker we belong.

Years may dim our recollection  
Time its change may bring,  
Still your name in fond affection  
Shaker Heights we sing.

Alma Mater, Alma Mater  
Ours forever strong,  
Fortified by our traditions  
To Shaker we belong.

## THE SHAKER HEIGHTS SCHOOLS

### Entering a Second Century of Excellence

The Shaker Heights schools, founded in 1912, are known for academic excellence and cultural diversity. As we enter our second century, we remain firmly committed to providing a world-class education to every student, with rigorous academics, outstanding fine and performing arts, and athletics and co-curricular activities for every interest.

Shaker Heights was originally settled in 1822 by the North Union Shakers and was home to as many as 200 members of the communal group before it disbanded in 1889. Some 20 years later, the Van Sweringen brothers developed the village of Shaker Heights, which today has nearly 30,000 residents and stretches over 6.5 square miles.

In 1912, the community invested in what is now known as one of the best school districts in the nation, according to national publications such as *The New York Times*, *The Herald Tribune*, *USA Today*, *Newsweek*, and *The Wall Street Journal*.

The construction of Boulevard, the first school building, began in 1914. Boulevard originally served students in grades 1-8 and added grades as students matured. In 1917, Beatrice Wall became the first of more than 36,000 proud graduates of Shaker Heights High School.

In 1919, the building housing Shaker Junior and Senior High (now Woodbury Elementary School) was opened. The current High School was opened in 1931 and underwent major additions in 1962, 1998-99, and 2007-08.

Today, the District operates eight schools, educates about 5,000 students annually, employs more than 800 staff members, and takes pride in the success of its graduates.

The District is particularly proud of its cultural, racial, and ethnic diversity. Students come to Shaker Heights from across the United States and from around the globe. Through adoption of International Baccalaureate programming at every grade level in every school, we are advancing our mission: to nurture, educate, and graduate students who are true citizens of the world.

## The Mission of the Schools

The District will nurture, educate, and graduate  
students who are civic-minded  
and prepared to make ethical decisions;  
who are confident, competent communicators,  
skillful in problem solving, capable of creative thinking;  
who have a career motivation  
and a knowledge of our global and multicultural society.
