

Naviance Student for Parents Reference Guide

Overview

Naviance Student makes it easier than ever for your student to answer the questions that will shape your student's future: Who am I? What do I want to be? How will I get there? And How will I succeed?

Naviance Student is a mobile-responsive site, for both students and parents, that employs intuitive tools that personalize and simplify the college and career planning process.

Parents and/or Guardians have mostly view-only access. However, depending on your school's permissions, you may be able to edit:

- Personal and Demographic Information
- E-Mail Address
- Username/Password
- Add a college to your child's College's I'm Thinking About list.

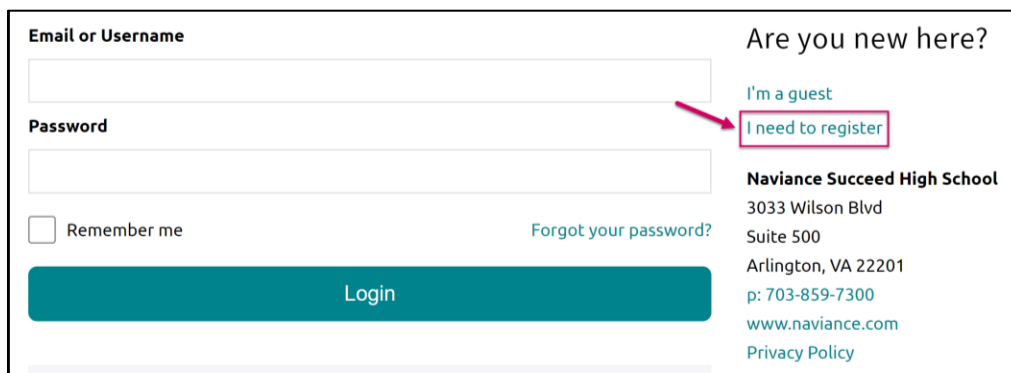

Logging In

Your school will have provided you either a:

- A Registration Code or
- A Username/Password

Registration Code

1. Your district should have sent you a **registration code** for use with Naviance Student. If not, contact Gabrielle Perrin at perrin_g@shaker.org with your name, your student's name, and the email address you want to use for your account. Once you receive your registration code, proceed to register.
2. Navigate to your school's URL: **STUDENT.NAVIANCE.COM/SHAKER**
3. Click on **I Need to Register**.

4. Enter the registration code you were provided in the **Registration Code** field.
5. Click **Register**.

Registration code

XXXXXX

Register

The Create Account page displays.

- Fill out the information as needed. If you have an e-mail address, select yes under the relevant question, and then enter your email and desired password. If you do not have an email address, you will be asked to create a username instead.

Create Account

Enter your email and create a password to complete your registration.

Do you have an email address?

Yes
 No

Please enter your e-mail address and create a password to complete your registration. All fields are required.

Enter email

SHOW

Passwords are case-sensitive and must be at least 6 characters. They cannot contain blank spaces.

- Click **Continue**. You are now ready to log in.

Username/Password

If you were already provided or have created your username/password, go to the URL and use the fields to log in.

Navigating in Naviance Student

Once you are logged into Naviance Student, most of your experience will be view only.

Some useful tools found in Naviance Student:

[College Search Tools](#), including Advanced College Search, SuperMatch™ College Search

[Research Colleges](#), including Scattergrams, College Match, College Compare, College Resources, Acceptance History, College Maps, Enrichment Programs

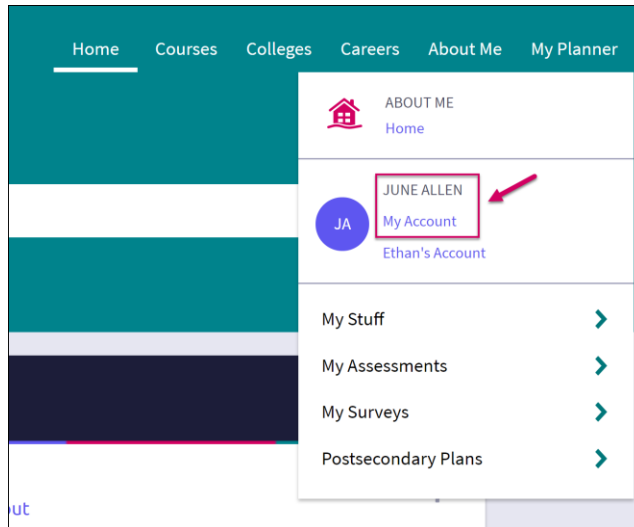

[College Visit Listings](#), including both area college events and fairs, as well as the over 150 college visits occurring at SHHS, during the school day (for students only)

Parent Tasks

Editing General and Security Information

You can edit your own personal and demographic information, as well as your user name and password in Naviance Student. To do this:

1. Click the **About Me** menu drop-down and select **My Account** under **your name**. Do not select your child's account.

The account screen displays, and you are on the General Information tab by default.

2. From *General Information*, click **Edit** to change personal information such as address, phone number, and email.

3. Enter the new information and click **Save**.
4. Click on the **Security** tab.
5. Use **Edit** under either **User Name** or **Password** to make desired changes, and then **Save**.

Adding a College to your Child's Colleges I'm Thinking About List

Naviance Student provides a location for students to save the colleges they are most interested in. The Colleges I'm Thinking About List can be found right from the Home Page. As a parent, depending on rights your school has provided, you can add to this list for your child. To do this:

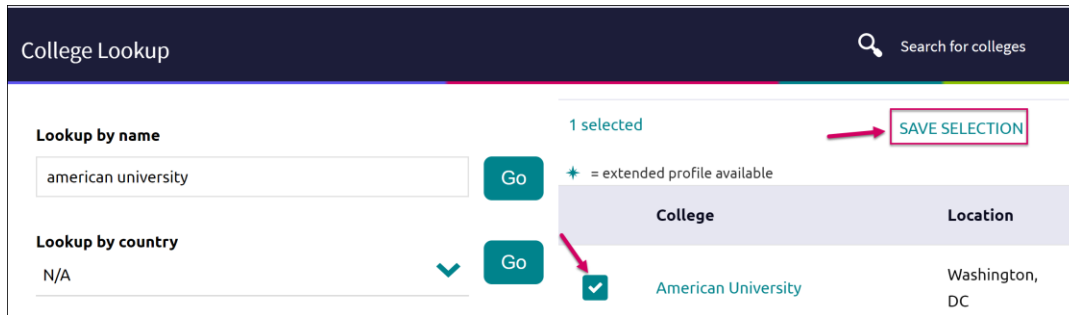

1. From the *Home* page, use the **Search for Colleges field** to enter in the name of a school.

Welcome, Ethan!

Search for Colleges

2. Click **Search**.
The College Lookup displays with your search results. You can use this to further refine or change your search options.
3. Check the **box** next to the school you would like to add to your student's list.
4. Click **Save Selection**.

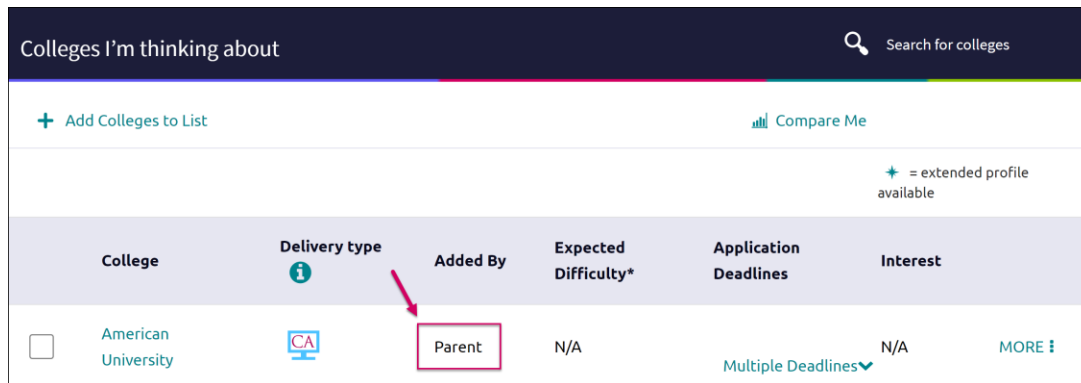

College Lookup

Lookup by name 1 selected

Lookup by country + = extended profile available

College	Location
<input checked="" type="checkbox"/> American University	Washington, DC

5. Click **Finished Searching**.
The college is added to the list.
6. To review the add, click the **Colleges** menu and select **Colleges I'm Thinking About** from the drop-down menu.
Your student's list will display. You can see the item you have added by looking to the Added By column.

Colleges I'm thinking about

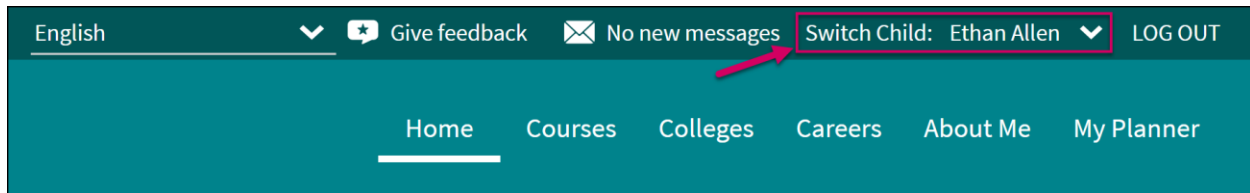

+ Add Colleges to List

+ = extended profile available

College	Delivery type	Added By	Expected Difficulty*	Application Deadlines	Interest
<input type="checkbox"/> American University		<input checked="" type="checkbox"/> Parent	N/A	Multiple Deadlines	N/A

Switching Between Children

If you have more than one child in the district using Naviance Student, you can use the **Switch Child** drop-down to change the student account you are viewing.
