Dear Lomond Families,

This week we were contacted by the Shaker Heights Police Department (SHPD) regarding concerns about traffic and illegal parking on the streets surrounding Lomond during arrival and dismissal hours. The SHPD asked us to remind our parents that all parking signage must be obeyed. In particular, they are concerned about Strandhill Road next to the school. Parents have been parking on both sides of the street making it difficult for a car to pass through. Should there be the need for an emergency vehicle (e.g. an ambulance or fire truck), passage would be impossible. **To be clear, No Parking means drivers are not even allowed to wait in the car while in that zone.** The SHPD informed us that they would begin giving parking citations as of **Monday, May 1** for anyone parked illegally.

In addition, please remember that there is to be no student drop-off or pickup on the opposite side of the road from school. Also, remember that it is illegal to make any turns at the corners of Lomond/Strandhill and Lomond/Palmerston Roads during the drop-off and pickup hours.

We respectfully request that all parents obey all traffic and parking laws. These are in place for the safety of our students and families. We understand that parking is tight around school. Please make every effort to allow ample time to park your car legally and walk to school to greet your child. Thank you for your cooperation and support.

Sincerely,

A handwritten signature in cursive script that reads 'Carina Freeman'.
